

Spider Maps

During the rest of the year you will be using these maps in order to show visually a map of your knowledge. Through these maps I will see if you understand definitions of vocabulary. More importantly I will see how you can connect and relate different ideas.

When creating these spider maps you must include the following:

1. **Key terms that are circled.**

Ex:

2. **Key terms connected to one another using a line and an arrow that shows the direction you read the connection.**

Ex:

3. **You must label the line with a word or two that explains how the words are related.**

Ex:

In addition to these things, when creating a map:

1. **DO NOT connect words in an already ordered list. Add the words to the spider map as you connect them to other terms.**

Ex:

vs. Ex:

2. **DO connect single terms to multiple ideas.**

Ex:

On the back of this paper, after Ms. Pender's instruction, create a practice map.
